We originally published this resource of 75 customer service facts, statistics and quotations in 2012. Since then, the customer service landscape has changed so dramatically that we were well due for an update.

75 Customer Service Stats and Facts you Can't Afford to Ignore

Customer-relationship management (CRM) is an approach to manage a company's interaction with current and potential customers. It uses data analysis about customers' history with a company to improve business relationships with customers, specifically focusing on customer retention and ultimately driving sales growth. One important aspect of the CRM approach is the systems of CRM that compile ...
