Major depressive disorder (MDD), also known simply as depression, is a mental disorder characterized by at least two weeks of low mood that is present across most situations. It is often accompanied by low self-esteem, loss of interest in normally enjoyable activities, low energy, and pain without a clear cause. People may also occasionally have false beliefs or see or hear things that others ...

The history of soccer in the United States has numerous different roots. The modern-day game is often considered to have been brought to the United States through Ellis Island in the 1870s. However, recent research has shown that the modern game entered America in the 1850s through New Orleans when Scottish, Irish, German and Italian immigrants brought the game with them.
