Usage Note: Politics, although plural in form, takes a singular verb when used to refer to the art or science of governing or to political science: Politics has been a concern of philosophers since Plato. But in its other senses politics can take either a singular or plural verb.

Politics - definition of politics by The Free Dictionary

Politics is a multifaceted word. It has a set of fairly specific meanings that are descriptive and nonjudgmental (such as "the art or science of government" and "political principles"), but it can and often does carry a negative meaning closely related to these ("political activities characterized by artful and often dishonest practices").
