

dictionary of the place pdf

A dictionary in PDF format would lose its utility as you have to scroll the entire file to find a single word. Instead I would recommend Wordweb dictionary. It is a compact dictionary which is light in memory and available for both PC as well as android devices. Once downloaded, it does not require any Internet connection to work.

Is there a downloadable PDF of any English dictionary (full)?

Dictionary.com is the world's leading online source for English definitions, synonyms, word origins and etymologies, audio pronunciations, example sentences, slang phrases, idioms, word games, legal and medical terms, Word of the Day and more.
