Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

Early Christianity covers the period from its origins (1st century) until the First Council of Nicaea in 325. This period is typically divided into the Apostolic Age (1st century), the Ante-Nicene Period (from the Apostolic Age until Nicea), and some of Christianity in late antiquity (from Constantine, c. 313). If including all of antiquity, it comprises also the State church of the Roman ...
