History. Philosophy, Politics and Economics was established as a degree course at the University of Oxford in the 1920s, as a modern alternative to classics (known as "literae humaniores" or "greats" at Oxford) because it was thought as a more modern alternative for those entering the civil service. It was thus initially known as "modern greats".

Unemployment levels reveal that we already have enough potential workers. Increasing employment opportunities and improving wages would increase funds paid to social security. Social security systems are artificial, so adjustments for changes such as a reduction in the number of potential workers can be made.. In the USA, a pea-and-shell game is being played on taxpayers.
