Crystal Growth & Design (ACS Publications)

The International Journal of Design is a peer-reviewed, open-access journal devoted to publishing research papers in all fields of design, including industrial design, visual communication design, interface design, animation and game design, architectural design, urban design, and other design related fields. It aims to provide an international forum for the exchange of ideas and findings from ...

International Journal of Design

Authors are expected to familiarize themselves with the editorial policies set forth below. These policies apply to all AACR journals and are intended to help ensure the integrity of the publication process and the research published in the journals.
